Welcome to the Aspiring Cartoonist. The following lessons in this book each have a FREE YouTube art lesson that you can access online! Just go to YouTube and search for the lesson you wish to view. Each lesson has the title of the YouTube video printed at the bottom of the page. You may pause the online lesson at any time and view the lesson as many times as it takes for you to master the lesson. You may print as many copies as you wish for your own **personal** use, but you are **not** allowed to sell or market the book or cartoon drawings in this book in any form. **Teachers** are permitted to purchase just one lesson book and print out enough for copies for their own students.
